There's an abundance of Award-Winning accommodation to suit every taste and budget, with fantastic Hotels, beautiful B&Bs, traditional Inns, Self-Catering Apartments and Cottages, Holiday Parks and Campsites providing excellent service, facilities and panoramic views.

There are 20 incredible beaches with 10 having received prestigious national awards, including the Blue Flag. From long sandy beaches, charming secluded coves and crystal-clear shallow waters, there's plenty for all the family to do.

As a dog-friendly resort, an increasing number of accommodation providers, food and drink venues and local attractions welcome visitors and their four-legged friends. The English Riviera has plenty of dog-friendly beaches, gardens and country parks.

The rich geological heritage and breath-taking landscape has designated UNESCO Global Geopark status, one of only seven Geoparks in the entire UK and 140 in the world. The dramatic coastline also forms part of the famous South West Coast Path.

The resort celebrates the birthday of its most famous resident during the International Agatha Christie Festival. There's a varied programme of live events, museum exhibitions and festivals showcasing the area's rich culture and heritage throughout the year.

There's a vibrant night time scene with a huge choice of pubs and bars with live music showcasing local talent and an impressive collection of theatres offering national touring shows, amateur dramatic plays, popular musicals and well-known comedians.

Family-run cafes, quaint tearooms and award-winning fine dining restaurants serve the finest quality local produce including scrumptious Devon Cream Teas, craft beers and ciders. Known as England's Seafood Coast there's an abundance of fresh fish and seafood landed locally in Brixham and celebrated annually during England's Seafood FEAST.

Set within a large horseshoe shaped bay, the calm and sheltered waters are perfect for boat and ferry trips, mackerel fishing, sailing, kayaking, paddle boarding, scuba diving, rock pooling and wild swimming.

The English Riviera has all the essential ingredients for a relaxing family holiday or short break anytime of the year. We look forward to welcoming you soon.

# The vibrant heart of the English Riviera

Voted a Top 10 year-round holiday destination, Torquay is an increasingly popular place to stay and has seen a renaissance in recent years with a number of new family attractions, waterfront cafes, clubs, cocktail venues, bars and first-class restaurants opening across this very popular seaside town.

Torquay is the only town in the South West to have retained the Purple Flag award, supporting a safe late-night experience for its harbourside visitors.

Torquay has a great choice of places to stay including elegant and stylish Award-Winning Bed and Breakfasts, Boutique and Spa Hotels, luxury Self-Catering Apartments and larger Hotels with in-house entertainment providing a wide range of facilities to keep everyone entertained. This new Accommodation Directory lists all the different places you can stay.

Famous for its iconic palm trees, busy harbour from where ferries run to Paignton and Brixham, seafront promenade, parks and gardens, sandy beach, theatres and international marina, Torquay with its mild climate is at the heart of the English Riviera. This thriving and vibrant modern resort is part of the English Riviera UNESCO Global Geopark and 22 miles of the South West Coast Path.

Torquay has an enviable literary heritage not only as the birthplace of the world's most famous crime writer, Agatha Christie, but also the inspiration for some of the world's greatest writers including Charles Kingsley and Oscar Wilde. Many of Agatha Christie's world-famous novels were inspired here and you can follow in her footsteps by walking the 'Agatha Christie Mile' along Torquay's seafront and taking a step back in time.

As a nation of dog lovers, we recognise that visitors to the English Riviera want to bring their family pet along. There are 9 beaches in Torquay permitting dogs all year round and many picturesque seafront esplanades and country parks providing the perfect setting for leisurely dog walks. # STAY IN Brixham

## All aboard for a **nautical** experience

Brixham is a quaint hillside town with a vibrant fishing port, attracting visitors from all of the world all year round. Along the picturesque harbourside you can see local fishermen landing their daily catch from a fleet of over 70 boats.

Home to the world famous Brixham Fish Market and at the heart of England's Seafood Coast, the freshest fish is served at many local restaurants, family run bistros and waterfront takeaways. Beautifully restored heritage sailing vessels and ferry boats offer regular trips across the bay.

Brixham has a great choice of places to stay with brightly painted, quaint B&Bs, Self-Catering Apartments with plenty of character and charming fisherman's Cottages with stunning sea views. Beyond the winding, narrow streets there are Award-Winning Hotels in grand country houses and Boutique retreats providing luxury escapes by the sea.

Berry Head National Nature Reserve, a gateway site to the English Riviera's designated UNESCO Global Geopark has panoramic coastal views, a Napoleonic fort and lighthouse in a breath-taking location.

There's an abundance of visitor attractions celebrating the town's fishing and shipbuilding past, its rich heritage and culture. Popular events take place throughout the year including Torbay Steam Fair, Brixham Pirate Festival, Brixfest and Lanterns, Lights and Illuminations. Swashbuckling Pirate Days are centred around the Old Fish Market.

Breakwater Beach, a popular spot for scuba diving, has some of the warmest and calmest waters in the country with regular sightings of rare seagrass beds, seahorses, fish and shipwrecks. Further along the coast is Shoalstone Beach with a Victorian seawater pool, built on a natural rock pool.

The English Riviera's 22 miles of stunning coastline forms part of the famous South West Coast Path and there are plenty of woodland walks and cliff top paths for ramblers and dog walkers across the English Riviera UNESCO Global Geopark.
